National Mosquito Control Awareness Week
June 15 - 21, 2025

Monday	Tuesday	Wednesday	Thursday	Friday
Launch of National Mosquito Control Awareness Week	Invasive <i>Aedes</i> / Innovative technologies	Importance of Wearing Insect Repellent	Did You Know...?	Protect Yourself
[LINK TO IMAGE] It's National Mosquito Control Awareness Week! According to @CDCgov, people in every U.S. state experience mosquito-transmitted diseases. Together, we need to #FightTheBite #MosquitoWeek	[LINK TO VIDEO] Invasive <i>Aedes</i> mosquitoes continue to spread throughout CA. Mosquito experts are working hard to control these mosquitoes that can transmit dengue, Zika, chikungunya, and animal heartworm. #FightTheBite	[Graphic w/ MVCAC, graphic w/o MVCAC] If it's too hot to wear long sleeves and pants, be sure to use an EPA-registered insect repellent when spending time outside. Mosquitoes would love to take a bite! #FightTheBite #MosquitoWeek	[Graphic w/ MVCAC, graphic w/o MVCAC] #DYK: West Nile virus is the leading cause of mosquito-borne disease in California and throughout the continental U.S. Make sure you #FightTheBite #MosquitoWeek	[Graphic w/ MVCAC, graphic w/o MVCAC] Get rid of ALL sources of stagnant water. Even a plant saucer can attract mosquitoes! We need to TIP, TOSS, TAKE ACTION #MosquitoWeek
[LINK TO IMAGE] Not only are mosquitoes a serious nuisance, but they can spread diseases.	[LINK TO VIDEO] Mosquito experts are using Sterile Insect Technique to help control invasive	[LINK TO AMCA #Passthe Repellent Video] Don't forget to #PasstheRepellent	[LINK TO IMAGE] Mosquito-borne diseases not only affect humans – they also kill countless	[LINK TO IMAGE] Dengue cases are on the rise in the Americas. Travelers need to protect

<p>Mosquito experts work hard every day to keep you and your family safe from mosquito-transmitted diseases. #MosquitoWeek</p>	<p>mosquitoes. One innovative technology uses x-rays to reduce the population of disease-spreading mosquitoes. #FightTheBite #MosquitoWeek</p>	<p>this mosquito season and make sure your family and friends are protected from mosquito bites. #MosquitoWeek</p>	<p>birds, reptiles, dogs, horses and endangered species each year. #MosquitoWeek</p>	<p>themselves from mosquito bites: use mosquito repellent while traveling and for 3 weeks after returning home. Together we need to #FightTheBite</p>
<p>¡Es la Semana Nacional para Crear Conciencia sobre los Mosquitos! De acuerdo con @CDCgov, hay personas en todo el país que sufren por enfermedades transmitidas por mosquitos. #SemanadelosMosquitos</p>	<p>Las enfermedades transmitidas por mosquitos matan hasta a un millón de personas cada año. La Semana Nacional para Crear Conciencia sobre los Mosquitos educa a las personas acerca del insecto más peligroso del mundo #SemanadelosMosquitos</p>	<p>#FightTheBite si está haciendo demasiada calor para usar pantalones y mangas largas, asegúrese de usar un buen repelente. #SemanadelosMosquitos</p>	<p>¿Sabía que el Virus del Nilo Occidental es la causa principal de enfermedades transmitidas por mosquitos en Estados Unidos? #SemanadelosMosquitos</p>	<p>Elimine TODOS los criaderos de mosquitos. ¡Incluso el platillo debajo de las plantas puede atraer a los mosquitos! Necesita: TIRAR, ELIMINAR y TOMAR ACCIÓN #SemanadelosMosquitos</p>
